

EXPLORATHON 2012

Presented by

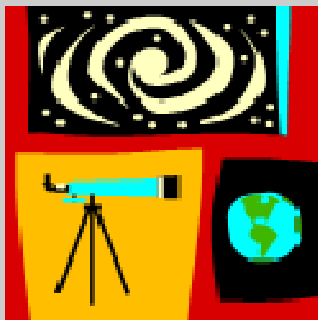

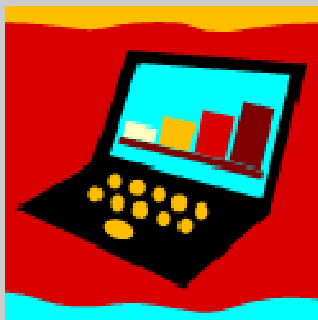

Birmingham Branch

With support from

**Ford Motor Company Fund
Detroit Country Day School
Oakland ISD**

and

Cranbrook Institute of Science

Wednesday , April 4, 2012

7:45 a.m. to 1:00 p.m.

Location: Detroit Country Day School

Grades 8 - 12

\$15 / per person

Workshops - Keynote Speaker - Box Lunch

In the race to the future, AAUW wants to help your students be prepared!

Explorathon helps students develop science literacy. During the day each student will participate in three hands-on workshops presented by dynamic women scientists in a variety of fields. Explorathon's focus on women in science prepares and inspires girls by giving them role models and by showcasing state-of-the-art careers for women in science, technology, engineering and mathematics.

**Registration forms are available on the website: www.aauwbirmmi.org
Space is limited—Register early!**

Bus Subsidies and Scholarships Available

Scholarships and bus subsidies are supported by a grant from the Ford Motor Company Fund. Financial support will be awarded based on documented need and benefit to participants.
